WEST WITH GIRAFFES
by Lynda Rutledge

It's 1938...The Great Depression lingers. Hitler is threatening Europe, and world-weary Americans long for wonder. They find it in two giraffes who miraculously survive a hurricane while crossing the Atlantic. What follows is a twelve-day road trip in a custom truck to become Southern California's first giraffes. Behind the wheel is the young Dust Bowl rowdy Woodrow.

We look forward to seeing you then!
